

# THE GOVERNOR'S ACADEMY

Due to the increase in applications from China, The Governor's Academy has partnered with Vericant to assist in the interview process. If a student wants an on-campus interview, no prior Vericant interview is required. If a student is unable to visit campus, we will conduct Skype interviews until our Winter Break (December 18, 2015). **Beginning on December 19, 2015, Skype interviews will no longer be granted. During this time, students must interview with Vericant instead of conducting a Skype interview with The Governor's Academy.** No Vericant interview is required for any on-campus interview before or after the Winter Break.

Vericant will conduct interviews and facilitate short writing prompts. Please understand that Vericant does not evaluate candidates; instead they send all information to The Governor's Academy for assessment. Our Admission Office will review the completed Vericant interviews and writing samples.

You may schedule an interview with Vericant by [clicking here](#).

In order to meet The Governor's Academy January 31 application deadline, **applicants must interview with Vericant no later than January 31.**
